

Aberdeen Terrace Blackheath SE3 **£3,500,000 Freehold**

Extremely gracious elegant and expansive Grade II Listed period house that was redesigned back to a beautiful family home by the current vendors with the intention of returning it to its former grandeur. Located in this quiet corner of the open heath in a no through road yet minutes walk from Blackheath Village and station and a short walk to the DLR at Lewisham.

KERSHAW'S

The spacious well planned and proportioned interior is over four floors with many original features including beautiful cantilevered staircase with cast iron balustrade – huge sash windows with working shutters – intricate cornices architraving and panelled doors all sensitively restored. Where missing they were carefully replaced including new working period style fireplaces and cast iron radiators. All of this combined with contemporary improvements for 21st century living including a new heating and plumbing system throughout, rewiring to meet the demands of a modern home with energy efficient LEDS, fast broadband and cabling, monitored alarm, intercom and state of the art energy and heat recovery system installed. Under floor heating is also installed to the lower ground with an additional wood burner stove. The lower ground floor has also been tanked. Kair ventilation and heat recovery system installed. This filters air to remove allergens and improves the heat efficient of the house. New slate roof, external balustrade reinstated and external works have created steps by the side of the building and a new patio space to the side and rear leading to the beautifully landscaped gardens. Luxurious quality fittings include a Poggenpohl bespoke kitchen – Victoria & Albert bathrooms with Duravit baths and fittings .
